

**COMP304 Knowledge Representation and Reasoning  
2011-12**

Exam contributes: 75%  
CA contributes 25%

Please make sure that exam contribution and CA contribution as stated above comply with the module specification. All marks entered below should be natural numbers between 0 and 100 (rounded if necessary). Where a student did not take part in an assessment, i.e. Exam, CA1, C2, etc., the corresponding field should be left blank. A mark of 0 should only be entered if the student did take Participation is computed over all students

| Participation      |      | Average over all students participating |                   | Average over all students with non-zero scores |    | 304 |       |              |  |
