

COMP 329 2017 Assignment 02 - Search and Rescue

Assessment of Individual Performance - 20% of Final Mark
Based on Individual Log and Peer Review

Team Number: Name:

Please assess the level of contribution of each of your colleagues and yourself, during the group software project. Score each team member (a through e) using a points scale of 0 to 6:

- 6 is for an outstanding contribution
- 5 is for a very good contribution
- 4 is for a good contribution
- 3 is for an acceptable contribution
- 2 is for a poor contribution
- 1 is for a very poor contribution
- 0 is for no contribution

A grade of zero should be given only in exceptional circumstances, and your project monitor (i.e. demonstrator & lecturer) should already be aware of these.
